8th February 2019

Dear Ms. Dowd,

On behalf of St. Francis Hospice please accept our deepest thanks for the very generous contribution of €815.00 received in memory of Gerard Kane. It is a lovely tribute to Gerard and it was our privilege to care for Gerard during his illness. Your support is deeply appreciated and I would be very grateful if you would convey our sincere thanks to the pupils and staff and to the Kane family for their support and generosity.

We really appreciate all your efforts and please know that you have made a difference. You have all helped to create funds so that patients and families will experience compassionate caring at a deep physical, spiritual and emotional level when they are in most need of support in their lives.

St. Francis Hospice has been a part of the North Dublin community since 1989, initially from Raheny and more recently from St. Francis Hospice Blanchardstown. Our mission as we honour our 30th Anniversary is to continue to provide the best quality specialist palliative care services for patients and families who we are privileged to serve.

We thank you for your support and hope that you will continue to support us. It is so important as a community that we care for each other.

Again, our deepest and heartfelt thanks for your support of St. Francis Hospice.

Yours sincerely,

**Bernadette Gillis
