It is imperative that the teachers in our school “hand over” your child to the correct adult at “Home Time” each day. To achieve this, we need to know the name(s) of all those adults who have permission to collect your child. If any detail changes, you should inform your child’s teacher (phone 01 8216359) immediately and we will amend this sheet which is stored in the class custodial folder.

Please fill in the grid below and return this sheet to your child’s class teacher this week. Many thanks in advance.
